The list should be read and used as follows:

Cantion.—If you do not find the place for which you are looking, try some other way of spelling the name, and look again. If you are looking for a Railroad Station, and do not find it, add the word Depot or Station to the name, and try again.

All names printed in Roman type ("Abbott's Corners, Missisquoi, Que.") are Post Offices.

All names printed in Italie type ("Adams, Hands, N. S.") are not Post Offices, or are known to the Post Office Department by another name, as "Botton, Cardwell, Ont." is "Albion P. O." It will be noted in regard to such places, having what may be called "double names," that they are Railroad Stations to which the Railroad Company and the Post Office Department apply different names; the italio is the Railroad Name, and at the Post Office will be found also the other name, as "Albion, Cardwell, Ont." is on Railroad No. 1136, and the "R.R. name" is Bolton.

The numbers and names placed opposite every place (in second column) indicate the Railroad (by reference to List of Railroads on pages 4 to The names to which a \* is prefixed are Money Order Post Offices.

9), on which the place or the Nearest Railroad Station is located, as-

"Abbott's Corners, Missisquoi, Que." (page 11), the nearest Railroad Station is "St. Armand" on Railroad No. 1016, which by list on page 5, is the Central Vermont R.R. "Abbotsford, Ronville, Que." "Antherstburgh, Essex, Ont." is on the Canada Southern R.R. (No. 1011) and on the Detroit River (No. 953).

The "Nearest Railroad Station" is (with very few exceptions) the Station from which the Mail is served to the place.
